- Election of the new committee
- Diverse

§1. Opening of the Meeting

The meeting was opened by Eliot Donnadiou at 18:09.

§2. Approval of the Agenda

The agenda was reviewed and approved unanimously at 18:12.

§3. Approval of the last P.V.

The last P.V. was reviewed and approved unanimously at 18:13.

§4. Election of new members

Every person present and listed under "Others" in the list of participants is elected as member unanimously at 18:14.

§5. Summary of the past year

Eliot Donnadiou presented a summary of events organized by the Quantum Club during the past academic year. These events include the usual talks organized by the Quantum Club and outreach activities as part of the International Year of Quantum Science and Technology.

§6. Accounting review

Mathias Dupont presented the account balance of the past year. Highlighted was the positive balance after the first two years and the opening of an official bank account in the last year, as well as the completion of all outstanding reimbursements of the period of the academic year 2023-2024 due to lack of said bank account.

Revenues		Expenses	
University 23-24	3'000 CHF	Reimbursement 23-24	2'306.73 CHF
University 24-25	3'000 CHF	Conferences	1'818.97 CHF
SwissMap	5'000 CHF	Bank fees	114 CHF
		T-Shirts	621.76 CHF
Total	11'000 CHF		4'861.46 CHF
Balance	6'138.54 CHF		

§7. New Organization of the committee

Eliot Donnadiou presented the planned new organization of the committee. The new organization includes the involvement of president, treasurer, vice-president and secretary. The treasurer, vice-president and secretary each taking over the organization of pole 1, pole 3 and pole 2 respectively.

Hereby pole 1 was presented as being tasked with continuing the usual conferences addressed at students of the university as already organized in the past. Pole 2 will establish an outreach project aimed at a broader audience and pole 3 will take care of the communication.

§8. Voting for creation of poles

The creation of the three poles and the new organization of the committee were approved unanimously at 18:30.

§9. Presentation of the new project

The new project aims to reach people outside the university by going to their communes instead of them having to come to the university, which should result in a Geneva-wide outreach program. Details for the project remain to be discussed and shall be managed

by members acting in pole 2. This project is aimed to start in the second half of the academic year.

§10. Presentation of Bastien

Bastien Lacave presents his vision for the future communication of the Quantum Club. Important elements include building a new brand identity, revisiting the posters and merch all with the goal of attracting and retaining an audience.

§11. Demission of the former committee

The former committee was resigned at 18:38 with 2 abstinences.

§12. Election of new committee

Eliot Donnadiou proposed himself for the role of president. Mathias Dupont presented himself for the role of president. Elisa Foery presented herself for the role of vice-president. Florian Giraud presented himself for the role of secretary. All the proposed members were elected as the new committee in unanimity at 18:43.

Nathan Lherbette and Janis Wenger presented themselves for the role of accounting reviewer. They were elected unanimously.

The following members joined the pole 1: Javier Alejandro Murillo, Isabela Hernández-Oviedo and Georgina Argyropoulou. The following members joined the pole 2: Camillo Gori, Raphaël Boeuf-Mendes, Iris Tudorache, Théo Moretti and Anna Pozdeva. The following member joined the pole 3: Bastien Lacave.

§13. Diverse

Elisa Foery mentioned the plan to also reach out to other departments of the university to also have non-physics members of the Quantum Club, thus helping with the organization of content aimed at non-physicists.

Multiple members proposed the idea of reaching out to science content creators to propose cooperations.

Advertising of events was proposed to also extend beyond the university, but also to extend to other buildings of the university.

The necessity of creating a mailing list was highlighted.

§14. Adjournment

The meeting was adjourned at 18:58 by Eliot Donnadiou.
